

NO SHOW POLICY FOR CONCORD CHILDREN'S CLINIC

There are occasions when a patient must miss an appointment due to unforeseen circumstances or a scheduling conflict beyond his or her control. This courtesy allows the office staff to schedule another patient who is also in need of medical care.

For scheduled well check appointments please inform the clinic at least 24 hours before your scheduled appointment or else it will be considered a missed appointment.

For ADD/ADHD appointments we ask that you call at least 24 hours before your scheduled behavioral follow up appointment and 48 hours before your initial ADD/ADHD appointment. There is a no show fee for these appointments.

After 3 missed appointments in one year, the patient is subject to be discharged from the clinic.
